Vremini offers:

- An economical source of non-fat dairy solids.
- Convenient, nutritious solutions for consumers looking to reduce their calorie consumption
- No artificial additives such as colourings, flavourings, gelatine, or stabilizers
- A rich, superior flavour and texture

We produce a range of Vremini skimmed milk powders:

- Low-heat to high-heat
- Standardized or higher protein content

Many of these products can be customized to suit individual specifications.
